

**Non-stop flights from Dubai to Houston launch on
3rd December 2007.**

Gateway to the Southern States, Houston is home to the Lyndon B. Johnson Space Center, whose legendary Mission Control coordinates all of NASA's Space Shuttle missions. This renowned center, part of the US Space Program, has resulted in Houston's official nickname, Space City.

From 3rd December 2007, you can take your own giant leap,
direct to Houston.

Destination Earth.

The fourth largest city in the United States, Houston is also the biggest city in Texas, a vast state synonymous with size in all shapes and forms. With the introduction of direct flights to Houston, renowned for its legendary Texan charm, Emirates is enabling convenient and easy access to America's Southern States. Houston, also known as Space City, is famed for its aeronautical and energy industries, and is home to the Lyndon B. Johnson Space Center, whose legendary Mission Control coordinates all of NASA's Space Shuttle missions.

Lift-off with Emirates.

The first direct air link between Houston and the Middle East is a giant leap, and what better way to take-off than with Emirates award-winning fleet? One of the longest routes in the world, your comfort is assured with the Boeing 777-200 LR, a long-range aircraft with all the latest in-flight amenities, including an award-winning ICE entertainment system. And for the ultimate in comfort for ultra long haul travel, enjoy one of eight private First Class suites or 42 lie-flat seats in Business Class.

ICE – information, communication, entertainment.

The world's most advanced - and award-winning - ICE entertainment system offers over 600 channels of movies, TV, music, games and more on demand, encompassing a wide selection of genres. And if it's ground control you need, every seat allows you to send and receive both email and text messages, from the air.

Fine dining

Our exquisite gourmet cuisine has won numerous awards, thanks to our obsession with using only the freshest produce sourced from the finest suppliers. In addition, Emirates' seven course First Class meals are individually prepared by master chefs and accompanied by an extensive range of award-winning wines and Champagnes, each carefully selected by our sommeliers.
