

we've earned our stripes

Manicures or pedicures, nail enhancements or massages, waxing or threading. Whether it's weekly maintenance or a monthly indulgence, N.Bar offers you a wide variety of treatments from the quick essentials to a leisurely pampering. Using only the finest products, we continue to raise the bar - delivering the highest level of hygiene standards and service quality.

Adding to our array of awards is our recent win in the Gel Master category of the 2006 Middle East Nail Competition, and subsequent invitation to compete at the Messe International Beauty Competition in Germany. Alongside the '2005 Small Business of the Year' award from Arabian Business, and the coveted 'Best Nail Bar 2005' from Emirates Woman, it's further proof that we've earned our stripes.
