Introducing a new kind of Traveler's Check

A four star business hotel located on Sheikh Zayed Road - at the heart of Dubai's central business district - Towers Rotana provides friendly staff, personal service, luxurious rooms, convenient check-in procedures, 24-hour room service, prompt wake-up calls, and award-winning restaurants and bars.

But that's not all. You work hard and you travel frequently, so the last thing you need to worry about is whether the projector in your hotel's meeting room works. Hence before you step into anyone of our five dedicated conference rooms, you can rest assured that we started planning your meeting long before you did.
